MR. KENNEDY. Dear Sir: I sit down to pen you a few tines this evening, to inform you that the Prairie Weed you sent me last fall has done me much good; truly I have not words to express my gratitude to you for it. My health has not been so good for the last twenty years as it has been since I commenced taking the Prairie Weed in November last. I thank you thousands of times for it. Not one night since last December have I been obliged to sit up one hour with phthisic since I have been taking your medicine. My health is so improved this winter that I can work all the time at light work, so I more than pay my board, and that is what I have not been able to do for a long time.

Dr. Kennedy Dear Sir.—I hereby certify that I was addicted for five years with a severe cough, and raising blood after any violent exertion. I commenced taking your Prairie Weed about two years ago, and have not raised any blood for eighteen months past, and believe that I owe to your medicine the health which I vainly sought from many physicians and medicines. I would be giad to have you refer any one to me who wishes to know what the Prairie Weed has done for me.
